DEDICATION

"How did we make it this far?" we ask ourselves. "How did we do it?" Many answers would be heard were these questions asked, but perhaps the most nearly true answer would simply be, "We could not have come this far without our parents."

They have loved, guided, fed, and clothed us through our "growing pains" into, through, and out of adolescence. They have seen us rise and fall; they have sometimes endured us, even though they saw us going wrong, in order to bring us to maturity through making our own decisions.

We all hope we shall be able to meet the world by the knowledge gained from our parents. When we look back to our high school years, our parents will occupy a very prominent place in the *SILHOUETTES* of our youth.

In loving appreciation, we, the *SENIOR CLASS* of 1958, dedicate this *LAUREATE* to our *PARENTS*.

FOREWORD

As our horizons broaden and the portals of the future open to us, we will strive to "put away childish things" and seek fulfillment in our separate calls of life.

While we are going forward, ever achieving, to form new and more lasting memories, perhaps, those which we now hold dear will not die, but will merely fade into the background of our lives to become SILHOUETTES of our youthful experiences.

1958 will be a cherished year to us. We will be able to look back to it and the memories it holds with a smiling face. 1958 ends the four years which began with a year of new experiences. As freshmen, we learned to adjust to the schedule of our different classes and new teachers. As sophomores, we became even more set in the groove as permanent and full-fledged high school students. As juniors, we dreaded, but overcame the writing of term papers, looked forward to the Junior-Senior with anticipation, and wondered if our senior year would be as wonderful as we expected.

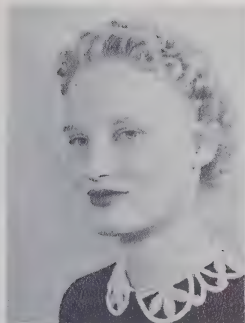

Finally, as seniors, we have discovered that perhaps the senior year really is the best of all. The former years of new discoveries and new lessons could be bound together in this one year for we have learned much and perhaps have grown more toward becoming mature young people in this year than ever before. Some of us are continuing our education in college, some are not; but whatever our plans, the high ladder of achievement will always be waiting to be climbed by anyone. As we go forward to new goals, perhaps this senior year will be representative of all the SILHOUETTES of our youth.

We walked down the aisle in Move-Up Assembly realizing that the year before us would mean a lot in many ways. We will remember many SILHOUETTES which will be representative of our junior year in high school, for it was a year of maturity for many and a year of fun for all. Memories of Junior-Senior night term papers in English and American history book reports will fill our minds in remembering high school days.

We, perhaps, feel that no memories can replace those of high school, but as we live we will be satisfied to store these memories as the SILHOUETTES of our youth.

Will we ever forget our high school days? Perhaps so, but several SILHOUETTES representing each year will appear in our mind's eye when we reminisce. Having finished only the second year of high school, most of our memories and major impressions are yet to be experienced. The small incidences, which at the time probably seemed great, will disappear but soon reappear to supplement and enrich the SILHOUETTES of our future.

Most of us can well remember our first day in high school. It probably means more to us now than it did then. The adjustments were many, and sorrows few, but the best is yet to be seen for the future holds more than we could possibly be able to foretell. Let us all hope that we shall never forget all this year has meant, and that we shall hold its many joys as part of the SILHOUETTES of our youth.

HENDERSONVILLE

In the make-up of a high school band there are a number of essential yet almost thankless jobs. Certainly the H.H.S. Band falls into approximately that category. They are always on hand to help make our pep rallies, games, parades, and assemblies a success.

"If we could have devised an arrangement for providing everybody with music in their homes, perfect in quality, unlimited in quantity, suited to every mood, and beginning and ceasing at will, we should have considered the limit of human felicity already attained."

The 1957 Bearcats opened their season by defeating the Enka Jets 7-0. Next, in the first of two meetings, the strong Brevard Blue Devils beat Hendersonville by the score of 20-6. Memorial Stadium was the scene of the encounter between HHS and Owen Warriors which saw the Buncombe County eleven come through with a 14-6 victory.

Pull, Hunter, pull!

The 'Cats won their second game of the season when they routed Erwin 31-6. Traveling to Waynesville, the locals lost a real heartbreaker when the Mountaineers eked out a 7-0 decision. Playing Brevard for the second time, the Cats again lost, but only after a hard game in which they had a lead at one time. The score of the game was 13-7.

Keep those knees up, Poteet!

Canton came into the Homecoming game of the Bearcats with an 18 game winning streak. They left the city with a blemish on their record after barely managing a 13-13 tie. Once again the locals traveled to Memorial Stadium where they defeated the Reynolds Rockets 26-6. The last game of the season found the Myers Park Mustangs, who later won the Western Division AA title, at the local field. Once again, the Bearcats rose to the cause and tied the Mustangs 0-0. So ended another year of gridiron glory for the Bearcats.

Check that stiff arm!

Progress Is Our Most Important Product

As we depart, diplomas won, to go our several ways into business, higher education
or home ----

Let us cherish the memories of our learning days at H. H. S. ---

Let this souvenir book of SILHOUETTES be our memory prompter ---

Let us cherish our teen-age friendships, the many "assists" our teachers gave us, both
to override lesson difficulties, and to overcome discouragement. So ---

Let us extend to teachers, friends and associates our deepest ap-
preciation for making our sojourn at Hendersonville High worthy of life-
long usefulness in the adult world we are about to enter. And now ---
As one door closes behind us, another open upon new experiences, un-
known problems, unanticipated difficulties. So, in meeting them ---

Let us confidently prepare for the many satisfactions to be won
when we unceasingly strive for the best in everything we do.

*"The Moving Finger writes; and, having writ,
Moves on: nor all your Piety nor Wit
Shall lure it back to cancel half a Line,
Nor all your Tears wash out a Word of it."*

—Omar Khayyam
